

ESSENTIALS OF PAEDIATRIC KIDNEY TRANSPLANTATION : FROM BASICS TO CLINICAL PRACTICE

2nd – 3rd November 2015
Paediatric Nephrology Centre
Princess Margaret Hospital, Hong Kong

Prof. Bradley Warady
Head of Pediatric Nephrology
Division, University of
Missouri-Kansas City, U.S.A

Prof. Franz Schaefer
Head of Pediatric Nephrology,
University of Heidelberg,
Germany

Prof. Hui-Kim Yap
Head of Pediatric Department,
National University Hospital of
Singapore, Singapore

Dr. Stephen Marks
Consultant Paediatric Nephrologist
Renal Unit
Great Ormond Street Hospital for
Children NHS Trust, London, UK

Objective

- Update on basic knowledge and clinical practice in Paediatric Kidney Transplantation
- Elaboration on the importance of multidisciplinary care in Paediatric Kidney Transplantation
- Discussion on challenging and controversial scenarios

This course is conducted by world renowned paediatric nephrologists together with a faculty of local senior staffs , and is highly recommended for paediatricians and nurses with special interests in Paediatric kidney transplantation.

Program Highlights

- Kidney transplantation for ESRD children in the modern era
- Strategies to improve paediatric graft outcomes
- Immunosuppressive regimens for paediatric kidney transplantation
- Management of immediate post-transplantation complications
- Treatment of post-transplant Infections
- Approach to chronic graft dysfunction
- Long term monitoring of paediatric kidney transplantation
- and more.....

Organizing Committee

Chairman: Dr. Wai-Ming Lai, President of Hong Kong Paediatric Nephrology Society

Members: Dr. Niko Kei-Chiu Tse, Dr. Pak-Chiu Tong, Dr. Alison Lap-Tak Ma, Dr. Lettie Leung, Dr. Samantha Li, Prof. Man-Chun Chiu

Course Co-ordinator: Dr. Pak-Chiu Tong

DAY 1 (Mon, 2nd Nov 2015)

Time		Speaker
9:00-9:10	OPENING REMARKS	Dr KC Tse
	OVERALL VIEW	
9:10-9:40	Kidney transplantation: Perspective for children with CKD in the modern Era	Prof B Warady
TRANSPLANTATION I: Preparation and Early Post-operative care		
	Chair: Dr. WM Lai	
9:40-10:10	Consensus guideline on donor and recipient evaluation	Dr PC Tong
10:10-10:35	Pre- and post-operation management for paediatric kidney transplant	Dr Alison Ma
10:35-10:45	Q & A	
TEA BREAK (10:45-11:00)		
TRANSPLANTATION II: The Medical Aspect		
	Chair: Dr. KC Tse	
11:00-11:40	Immunosuppressive agents for paediatric kidney transplantation	Prof HK Yap
11:40-12:20	Post- transplant complications- ATN and acute rejection	Dr WM Lai
12:20-12:30	Q&A	
LUNCH (12:30-14:15)		
IPNA China Fellow Reunion Meeting (invited participants)		
Prof. Bradley Warady, Prof. Francesco Emma, Prof. Xu Hong, Prof. Ding Jie, Dr. Shen Qian		
MULTIDISCIPLINE CARE IN KIDNEY TRANSPLANTATION		
	Chair: Dr. Stella Chim /PC Tong	
14:15-14:45	Radiology in transplant nephrology	Dr Jessie Yeung
14:45-15:15	Kidney transplants- the pathologist's view	Dr YF Mak
15:15-15:45	Surveillance of post-transplantation opportunistic infection	Dr Bosco Lam
15:45-16:15	Tissue typing in kidney transplant	Dr Janette Kwok
16:15-16:30	Q&A	

Hong Kong Paediatric Nephrology Society Annual Scientific Meeting
2nd November 2015 6:30 - 8:00 pm
Block M, Lecture Theatre, Queen Elizabeth Hospital

“What’s new in Childhood Nephrotic Syndrome” Symposium

How do we understand the disease today: by Prof. Francesco Emma.

Use of Immunosuppressants other than steroids: by Prof. Franz Schaefer

DAY 2 (Tue, 3rd Nov 2015)

Time		Speaker
KIDNEY DONATION		
Chair: Dr. Lettie Leung / Dr. KC Tse		
9:00-9:30	Promotion of living-related transplantation: how to overcome barriers	Dr S Marks
9:30-10:00	Deceased kidney donation: allocation and promotion	Dr William Lee
10:00-10:30	Clinical application of HLA matching in transplantation	Dr S Marks
10:30-10:45	Q & A	
TEA BREAK (10:45-11:00)		
TRANSPLANTATION III: The Challenging Patients		
Chair: Dr. Winnie Chan / Dr. WM Lai		
11:00-11:30	Approach to chronic graft dysfunction	Prof F Schaefer
11:30-12:00	Management of post-transplant Infections	Prof HK Yap
12:00-12:30	Management of highly sensitized transplantation	Dr S Marks
12:30-12:45	Q&A	
LUNCH (12:45-14:00)		
CASE DISCUSSION: Schaefer / Stephen		
Chair: Dr. Alison Ma / Dr. PC Tong		
14:00-14:30	Case Discussion I	Dr. Fanny Ho
14:30-15:00	Case Discussion II	Dr. Eugene Chan
15:00-15:30	Case Discussion III	Dr. Euan Soo
TEA BREAK (15:30-15:45)		
Chair: Dr. SN Wong		
THE LOCAL SCENE		
15:45-16:10	Paediatric kidney transplantation in HK: Past, Present and Future	Dr KC Tse
THE WAY FORWARD		
16:10-16:40	Strategies to improve paediatric graft outcomes in the 21 st century	Prof F Schaefer
CONCLUDING REMARKS		
16:40-17:00	An unending struggle for survival and more	Prof MC Chiu

Local Speakers

Prof. Man-Chun Chiu, Honorary Clinical Professor (Paediatrics), University of Hong Kong
Dr. Niko Tse, Chief of Service and Consultant Paediatrician, Princess Margaret Hospital, HK
Dr. Wai-Ming Lai, Consultant Paediatrician, Princess Margaret Hospital, HK
Dr. Pak-Chiu Tong, Associate Consultant Paediatrician, Princess Margaret Hospital, HK
Dr. Alison Ma, Associate Consultant, Princess Margaret Hospital, HK
Dr. William Lee, Associate Consultant Nephrologist, Princess Margaret Hospital, HK
Dr. Yuen-Fun Mak, Senior Medical Officer, Pathologist, Princess Margaret Hospital, HK
Dr. Janette Kwok, Consultant and Head of Immunology & Tissue Typing Lab, Queen Mary Hospital, HK
Dr. Bosco Lam, Associate Consultant Microbiologist, Princess Margaret Hospital, HK
Dr. Jessie Yeung, Associate Consultant Radiologist, Princess Margaret Hospital, HK

Venue

7/F, H Block Lecture Theatre, Princess Margaret Hospital
2-10, Princess Margaret Hospital Road, Lai Chi Kok, Hong Kong

Complete the online registration at pmhcourse2015.strikingly.com

or

Download and complete the Registration Form, scan and e-mail (ywt832@ha.org.hk) or Fax (852-29903483) back to the Course Co-ordinator, Dr. Pak-Chiu Tong, c/o Department of Paediatric and Adolescent Medicine, Princess Margaret Hospital Hong Kong before 1st October 2015.

Successful applicants will receive e-mail confirmation before 15th Oct 2015

Course Fee

Registration before 1st Oct 2015: HKD \$1,000

Registration on/after 1st Oct 2015 or on-site: HKD \$1,200

Course fee will be collected on-site

Participants are also invited to attend the Annual Scientific Meeting of Hong Kong Paediatric Nephrology Society on 2nd Nov 2015 at 6pm in Queen Elizabeth Hospital:

What's new in Childhood Nephrotic Syndrome

"How do we understand the disease today" by Prof. Emma Francesco

"Use of immunosuppressants other than steroids" by Prof. Franz Schaefer

Organized by

Hong Kong Paediatric
Nephrology Society

Co-organized

Department of Paed & Adol. Medicine
Princess Margaret Hospital

Sponsorship

Local members of HKPNS can apply full sponsorship of the course through the Society
